LGBTQ+ and Ally Volunteer Network

Mobilizing volunteers since 2008
Gay For Good is a nationwide nonprofit that engages the LGBTQ+ community and allies in volunteerism to promote diversity, foster inclusion and strengthen ties to the broader communities where we live and work.

We are a community of good people, doing good things, for good causes.
Gay For Good provides training and resources to diverse community leaders who facilitate inclusive volunteer experiences for LGBTQ+ people, allies and others to volunteer together in support of a wide range of causes.

Now in nineteen cities, Gay For Good has partnered with more than six-hundred nonprofits, logging thousands of volunteer hours in communities throughout the USA, and we are steadily growing to become leaders in making a social impact.
