GAY FOR GOOD

Mobilizing LGBTQ+ and ally volunteers since 2008.
Now in 20 cities!
Gay For Good is a nonprofit that engages the LGBTQ+ community and allies in volunteerism to promote diversity, foster inclusion and strengthen ties to the broader communities where we live and work. Now in twenty chapter cities!

We are a community of good people, doing good things, for good causes
Gay For Good provides training and resources to diverse community leaders who facilitate inclusive volunteer experiences for LGBTQ+ people, allies and others to volunteer together in support of a wide range of causes.

Gay For Good has partnered with more than seven-hundred nonprofits, logging thousands of volunteer hours in communities throughout the USA, and we are steadily growing to become leaders in making a social impact.
Gay For Good’s volunteer programs benefit the lesbian, gay, bisexual, transgender, and queer (LGBTQ+) community, plus the communities and causes Gay For Good supports.

Gay For Good volunteer events enhance LGBTQ+ visibility, reduce social isolation, increase social support and networks, and lead to a stronger sense of wellbeing and pride.

Gay For Good serves as a vital resource to nonprofits, donating hundreds of hours annually, and amplifies the missions of our partners through the stories and images we share.

Partner with us, and together we can help them. It's a win-win!

Each service event fosters kindness, connection and unity... a benefit for all.
