WHO WE ARE

**We are a community of good people,

Gay For Good is a nonprofit that engages the LGBTQ+ community and allies in volunteerism to promote diversity, foster inclusion and strengthen ties to the broader communities where we live and work.
Now in twenty chapter cities!

WHAT WE DO

Our "boots on the ground approach" to connecting with our neighbors

Gay For Good provides training and resources to diverse community leaders who facilitate inclusive volunteer experiences for LGBTQ+ people, allies and others to volunteer together in support of a wide range of causes.

Gay For Good has partnered with more than seven-hundred nonprofits, logging thousands of volunteer hours in communities throughout the USA, and we are steadily growing to become leaders in making a social impact.

WHY WE DO IT

Gay For Good's volunteer programs benefit the lesbian, gay, bisexual, transgender, and queer (LGBTQ+) community, plus the communities and causes Gay For Good supports.

Gay For Good volunteer events enhance LGBTQ+ visibility, reduce social isolation, increase social support and networks, and lead to a stronger sense of wellbeing and pride.
